My dear Nakhuda,

We (govt.) understand that the Special Officer Sandur has probably not called on the Ruler even on one occasion with the result that rumours are spreading that the Ruler is not in the good books of this govt. As it is desirable to avoid such impressions, I am to request that the Special Officer may be asked to make a courtesy call on the Ruler at the earliest opportunity, when the latter is in residence (and also to meet him as often as possible.) You may also contact the Ruler, as and when opportunities occur.

in the Sandur State

Yours sincerely

THE PALACE, SANDUR

29th August'49.

My dear Sri.Menon,

Please accept my sincere thanks for having directed the the Collector and Special Officer in-charge of the Admnistration of Sandur to afford all facilities for Ganapathi festival. I take it as a very gracious gesture and a tangible proof of your intention to vindicate the true spirit and significance underlying Articles 4 and 5 of my Agreement dated 1st April 1949 with the Governor-General of India and sub-paragraphs (2) and (3) of paragraph 1 of the letter collateral thereto, addressed to me by the Ministry of States.

I now feel confident that it is your intention that the terms set forth in each of the several Articles of the Agreement and the letter collateral thereto shall be given the widest and most liberal construction possible.

I am sending, within the next few days, my Huzur Secretary, Sri.M.Krishnan, to place before you certain matters, which I am sure will receive your most sympathetic consideration.

With kindest regards,

Yours Sincerely,

CHIEF SECRETARY 5270 10 AUG 1949 GOVERNMENT OF MADRAS

Sri.Ramunni Menon,
Chief Secretary to the Government of Madras,

Chief Secretary

Deputy Secretary, Ministry of States, telephoned to me about a request from the Rajah of Sandur who is in Bangalore to be allowed the necessary facilities to take out a procession, etc. on the occasion of the Ganpati festival tomorrow. The Ministry of States, it appears, have already agreed to such facilities being afforded to them on important occasions, and in view thereof, they desire that immediate instructions may be issued to the Special Officer to give the Rajah every facility in connection with the Ganpati festival. The States Ministry have also no objection to the officers of Sandur taking a voluntary part in such celebrations. They are anxious that the Rajah's sentiments should be respected in this matter.

2. He also mentioned to me that probably the Special Officer has not called on the Rajah even on one occasion with the result that rumours are spreading that the Rajah is not in the good books of the Madras Government. It is desirable to avoid such impressions and suitable instructions may be issued to the Special Officer on this matter.

3. Intimation that facilities are being afforded to him is also requested to be conveyed to the Rajah of Sandur at his Bangalore address.

4. As the Ganpati festival comes off tomorrow they desire that instructions may be issued by the quickest means possible.

Please see para 2 of the note on p.1 ante. No doubt the Collectors of Tiruchirapalli and Kurnool, ~~may~~ may, the Board Member also contacted the Rulers of Pudukkottai and Banganapalle on matters arising out of the merger. In the case of Sandur, however, the position is that there was no opportunity for any of our officials to contact the Ruler as he carried on negotiations thro' some agencies with the States' Ministry in ~~recovering~~ stabilising his hold over all the questions before he signed the merger agreement. The suggestion ~~that~~ in the rumours ~~are afloat~~ that because the Special Officer had not seen the Ruler, the latter is not in the good books of the Govt. seems to be far too remote and unfounded. ~~as any contact that our officers might make cannot be with the knowledge of rumour mongers nor can it be to appease them.~~ Further the Ruler's abode now is at Bangalore.

If it is so directed, the Collector and the Special Officer may be asked to make courtesy calls on their convenience when the Ruler is in residence at Sandur.

Subject to orders a draft ~~letter~~ D.O. is submitted for approval.
